SUPERIOR LOCKER SYSTEMS

Defence Locker & Cage Systems

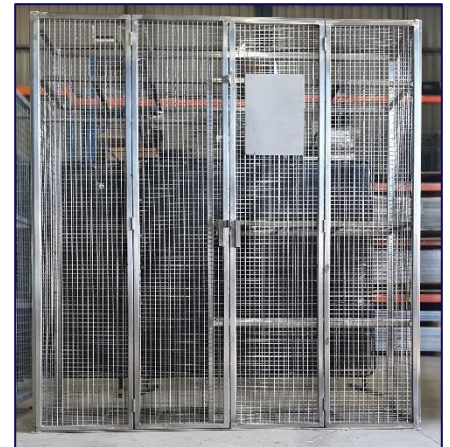

North Country Steel are leaders in the development supply and installation of Personnel Equipment Cages (PEC) and Wire Mesh Lockers for the defence industry.

The team at NCS hold deep respect and gratitude for the men and women in uniform. We consider it a privilege to be able to provide our best efforts into the development and implementation of PEC's and lockers for use by our Nation's defence forces.

With an existing range of designs and internal options our PEC's and locker Systems can be customised to suit the needs of our service men and women from wet gear, salt water to dirt and grime it is of no problem with our NCS finish options of galvanised, powder coat and stainless steel.

North Country Steel continue to be involved in the development of defence lockers and cages.
